Civic Societies Week 2010 Bulletin No 3

CIVIC SOCIETIES IN ACTION!

Civic Societies across the region are now embarking on their Civic Societies Week activities. Over 15 YHACS member societies have already notified us of their plans for Civic Societies Week projects and special events for their selected week in June.

If your society has not yet let us know of its plans, please do get in touch and let Kevin Trickett have details using the form that we sent you with Bulletin No 2 at the beginning of May, preferably by email.

Societies that have already notified us of their participation are:

Allertonshire Civic Society	Pudsey Civic Society
Brighouse Civic Society	Ripon Civic Society
Grimsby, Cleethorpes and District Civic Society	Scarborough & District Civic Society
Honley Civic Society	Selby Civic Society
Huddersfield Civic Society	Skipton-in-Craven Civic Society
Hull Civic Society	Wakefield Civic Society
Ilkley Civic Society	Whitby Civic Society
Ossett Civic Trust	

And don't forget to send us details of your event or project after it is completed if you want to compete for the Peter Spawforth Award and £250 cash prize!

As explained in Civic Societies Week Bulletin No 2, we are again offering a cash prize of £250 and an opportunity to hold the Peter Spawforth Trophy for a year to the Society whose project or activity is judged to have been the best by the judging panel. To be assessed for the prize, we need you to send us evidence of your activity. This can include photos and examples of press coverage you have generated, and so on. A separate form was provided for you to submit your evidence with Bulletin No 2. Please send this to Kevin Trickett by the end of July, again by email if possible.
